

Clive Gray
BA (Class 1 with Honours)
BArch (Class 2.1 with Honours)
Registered Architect

Architects' Registration Board (053296G)
Royal Institute of British Architects (6121397)

Experienced professional who has worked at management level, overseen project teams, and had responsibility for delivering projects up to £50 million in value across the UK.

Nicholas Hare Architects (2010 to present)

Project Leader; academic strategic briefing, master planning and project delivery in the higher and secondary education sectors:

- *University College London*
- *The Purcell School*
- *University of Cambridge*
- *Medway Council*
- *Nottingham County Council*

David Morley Architects (2000 to 2010)

Associate; academic, sport and student residential project delivery in the higher education sector:

- *University of Plymouth*
- *Loughborough University*
- *University of Bath*

Ahrends Burton & Koralek Architects (1990 to 2000)

Team Leader; office, cultural and academic project delivery in the commercial and further education sectors:

- *Institute of Technology Blanchardstown*
- *Cardiff Bay Development Corporation*
- *Stanhope Properties*

Greenhill Jenner Architects (1986 to 1990)

Associate; project delivery in the residential and healthcare sectors:

- *West Lambeth Health Authority*
- *Metropolitan Housing Trust*
- *Family Housing Association*

Award winning and commended projects (RIBA Regional, Civic Trust, Structural Steel Design, Royal Fine Art). Experienced in client engagement, project inception, development and management. Strengths include design origination, strategic thinking, mentoring and freehand drawing. Interested in simplicity, clarity, and exploiting the benefits of economy, rationalisation and standardisation.

Testimonials

Carol Lelliott, Partner, Nicholas Hare Architects

“...a talented and clear thinking architect who commands such respect from our clients. I have appreciated the soundness of your judgement and the soundness of your thinking.”

David Morley, Partner, David Morley Architects

“It’s been an absolute pleasure working with you and your contribution to the quality of our portfolio of completed buildings is greatly appreciated.”

Ben Rees, Associate, David Morley Architects

“...I learned more about being an architect from you than anybody...Bath defined me as a professional person and I really have to thank you for teaching me how to build a building...I think we shared a genuinely rewarding experience.”

Peter Ahrends, Partner, Ahrends, Burton & Koralek Architects

“By the time he left our office, Clive was undoubtedly a very experienced, thorough, clear-sighted architect whose determination to make outstanding architecture was a driving force.”
